Dear All,

We are thrilled to extend a warm and enthusiastic invitation to you for the upcoming First Annual **Fertility Obstetric Gynaecology Continuing Education (FOGCE) conference on December 3rd, 2023, at the luxurious ITC Grand Chola, Chennai.**

Organized by the esteemed FOGCE Society, this conference promises to be an unforgettable experience for professionals in the field of Fertility, Obstetrics, and Gynaecology.

But that's not all! Our commitment to providing comprehensive education extends beyond the main conference day. **On December 2nd, 2023, we have a pre-conference workshop on Hysteroscopy and Embryology at the Hotel Green Park, Vadapalani, Chennai. Dr. Osama Shawki** from Cairo, renowned for his expertise, extensive experience, and exceptional teaching skills, will lead the **live Hysteroscopy workshop**. Additionally, our Embryology workshop is a first-of-its-kind opportunity to gain hands-on experience in **advanced Andrology and Embryology techniques**.

FOGCE, a brainchild of A4 Hospital & Fertility Centre, aspires to become an annual hub for the continuous education of professionals in the fields of Fertility, Obstetrics, and Gynaecology. Our primary goal is to facilitate the sharing of knowledge, promote advancements, and showcase best practices in these crucial domains.

In honor of the **legendary Padma Shri Late Dr. B Palaniappan**, a pioneer in Obstetrics, Reproductive & Child Health, we have instituted an Oration that bears his name. This oration will be a highlight of the conference, offering unique insights into the field.

The FOGCE conference boasts a diverse range of sessions to cater to your educational needs. Our program includes enlightening **lectures**, insightful **"How I do it"** sessions, captivating **video presentations**, engaging dialogues, and thought-provoking **panel discussions** featuring both **international and national experts**. But that's not all – we've added an exciting twist! **At the end of each session**, be ready for some **exclusive quiz questions**. And the grand finale? An open quiz competition where the winner will receive an **APPLE IPAD bonanza!**

For our budding scholars and consultants, there's also an opportunity to shine. We invite you to participate in our **paper and poster presentation** sessions. Impress the audience and judges with your research and expertise, and you could walk away with a cash bonanza!

Don't miss this opportunity to be part of a groundbreaking event in the realm of Fertility, Obstetrics, and Gynaecology. **Mark your calendars for December 2nd & 3rd, 2023**, and be prepared for an enriching experience that will leave you inspired and informed.

Welcome to FOGCE!!!

Dr Aruna Ashok

FOGCE Chairperson

Scientific Program

(02.12.2023) Saturday

Venue – Hotel Green Park, Chennai

Hysteroscopy Workshop

Session	Topics
Interactive Live Hysteroscopy	Diagnostic & Advanced Operative Hysteroscopy
Lecture	Fundamentals of Hysteroscopy
How I do it	Comprehensive Guide to Hysteroscopic Myomectomy.
